

## GREAT PLAINS AMBUCS FLY • A • FLAG

The Great Plains AMBUCS raises funds to accomplish our mission of inspiring mobility and independence. AMBUCS provides ramps, amtrykes, and scholarships to members of the Lawton Fort Sill community and beyond. It is our goal to continue our mission through the flying of the American flag.

For a small annual fee, we will come install a lighted American flag in your yard on the 5 flag holidays. Installation details are a small metal sleeve in your lawn 18 inches away from the curb. The sleeve is countersunk so it will not interfere with your regular lawn maintenance.

Sign up for the **Great Plains AMBUCS** flag program and show your support for the brave men and women who serve our county.
