CHAPTER NEWS

We sure had a *'Mo Betta'* year with Alan Jolly as our 2023-2024 President. We ended our club year with lots of activities.

May 20th guest speaker was Thad Hulbert from the Emergency Management Office for Comanche County. We heard about how their office handles severe weather threats and sends notifications to citizens in Comanche County.

- At the last chapter meeting for the 2023-2024 year. Larry Kindt and Tanna Vu were presented with their Lifetime Membership plaques and pins. Alan Jolly presented a chapter scholarship to Blakley Marko, who states PT school in two weeks at Oklahoma City University.
- On May 21st, Master Jedi Megan and the Amtryke building team assembled the remaining Amtrykes.
- On May 24th, the ramp committee built a quick ramp to assist Ms. Marlene Bonwell. This ramp will allow her access to get out of her home.
- The ramp committee continued on May 25th with building a short 8 footer ramp for Ms. Williams so she can bring her daughter home next week.

- Memorial Day was surely memorable when our club was able to present six local Veterans with Amtrykes in Elmer Thomas park. *"What a Great Day to be an AMBUC!"*
- June 1st, The Children United Playground had their grand opening in Elmer Thomas Park.
- Please join us on June 3rd, for our first chapter meeting with Larry Kindt as our President. We look forward to Larry taking our chapter 'Up, Up & Away.'

Upcoming Events:

- Next flag placement will be June 14th, Flag Day
- The Amtryke committee is working on scheduling two more builds
- National AMBUCS Conference will be July 31st-August 2nd in Tulsa, OK
- Big Hat social will be at Harlows on June 13th at 5:30pm
